OK, will stand by.

FYI – Will not be able to post it on Friday, since our two web posters (Mike and Cecilia) will be out on use or lose.

Hi Martin,

This document will be posted to the web one day this week. We are not sure which day, so giving you a heads-up now. When the day comes, please place in the “What’s New” box and in the document archive, per normal operations.

What’s new box blurb: “EPA has published its Emergency Response Activity Report for the surface brush fire that occurred at the West Lake Landfill Superfund Site on October 24, 2015. The surface fire did not threaten any radiologically impacted material.”

Link text: “Emergency Response Activity Report for October 24, 2015, West Lake Landfill Superfund Site surface brush fire.”

The boundaries have been corrected to West Lake Landfill.

Let me know if there are any other issues.

Tom

Hi Tom –

Wording on Figures 1 and 2 changed. How does this look?

Thanks,

Rob
